22 May 1984

OC-MLS WEEKLY STAFF NOTES  
FOR WEEK OF 14-18 MAY 1984

1. Unfunded requirements, shortfalls, and surge funding possibilities have been reviewed and recommendations are being prepared for the D/CO.

2. OC-ED has been advised of the Comptroller's reprogramming approval leading to action on SAF (\$500K), SPARS (\$775K), and Emergency Power (\$432K).

25X1

5. C/RAG attended a MILSATCOM meeting on 18 May. The TDRSS briefing for C3 Review Council was previewed.

6. C/RAG met with JCS point-of-contact to discuss the new JCS requirements process and how we submit our MILSATCOM requirements to the DoD through OSD. Our use and plans for UHF were discussed in general.

25X1

7. We are in the process of arranging a two-day CRAFT conference  on 19 and 20 July.
